for
Temporary Therapeutic Hemapheresis and Dialysis Services
at

**County-operated Hospitals, Ambulatory Care Outpatient Centers, and
Comprehensive Health Centers (CHC)**

The Los Angeles County Department of Health Services (DHS) is soliciting requests from qualified temporary therapeutic hemapheresis and dialysis services firms to be selected to contract for the provision of temporary hemapheresis and dialysis services at the service locations in the attached listing.

MINIMUM QUALIFICATIONS:

1. Firms interested in participating in DHS' Temporary Therapeutic Hemapheresis and Dialysis Services Agreement Program must have as an entity or through its principals or officers (at the sole discretion of County) have a minimum of five (5) years of experience within the last five (5) year of providing temporary therapeutic hemapheresis and/or dialysis services to hospitals within the United States prior to the effective date of a County agreement under this program. In order to qualify to provide both services, your company must meet the experience requirement for both services.
2. Firms must employ a Medical Director for both therapeutic hemapheresis and dialysis services, as applicable. Firm may meet this requirement with a single Medical Director if such Medical Director meets the respective requirements for both services as outlined below. Medical Director shall hold unrestricted, current, active, and valid licensure as a physician in the State of California and shall be:
 - a. Board certified in Internal Medicine with subspecialty certification in nephrology if overseeing Dialysis services.
 - b. Board certified in Internal Medicine or Pathology if overseeing Therapeutic Hemapheresis services.

3. Firms must have a local office located within Southern California, defined as within the boundaries of the following counties: Los Angeles, Orange, Riverside, San Bernardino, San Diego, Santa Barbara, and Ventura.
4. Interested firms must be able to agree to accept all terms, conditions and rates offered in the sample agreement (attached).
5. Interested firms must agree upon having an in-person on-site visit at the business address prior to contract finalization to pre-audit files and for pre-monitoring.

Note: THE AGREEMENT IS NON-NEGOTIABLE.
